

Prayer of Surrender

Dear Lord,

I come to you now, in need of your wisdom and direction.

I bring to you this situation. *(Describe it.)*

I open my hands and my heart to hear from you. *(Open your hands.)*

Help me to hear your voice clearly. *(Take time to listen.)*

What you have asked me to do, help me to do with faith and courage. What you have asked me to release, help me to release to you and not grab back as if I know better than you. I surrender to your will. Give my feet your direction and my will your will instead.

In Jesus' name,
Amen.
