

Prayer Cards: Praying for Your Child to Know Jesus

Dear Lord,

**Help my children to hear your voice and follow you!
Help me to understand the bent of my children and to
figure out how to guide them toward relationship with
you. Give me wisdom beyond my human capabilities,
and lead me and my children in the way everlasting.**

**I praise you that your steadfast love endures forever,
and I thank you for the many gifts you have given me
and my children!**

In your strong and faithful name I pray,

Amen.

Dear Heavenly Father,

Please grant me patience today. I am having trouble
spending time with my child without getting irritated.
Please forgive my impatience.

Would you grow in me the fruit of the Spirit of patience?
Help me endure this season of life, and help me to
experience joy despite the challenges.

Oh, Lord, I have so many dreams for this child, but mainly
I want her to know you and your love for her. Would you
please give me patience as you mold and shape her
heart? Where I am to take part in that, show me your
will, and when I am to stay quiet, help me to do that with
trust in you.

In Jesus' name I pray,

Amen.

Dear Jesus, My Strong and Gentle Shepherd,

I am overwhelmed with the task of raising this child.
Would you come alongside me and sustain me? I don't
know what to do.

I long for my child to know you and to love you. Please
forgive her for pushing you away, and please keep
knocking on the door of her heart!

Call to her, shape her, mold her. Rock her world, so that
she can live an abundant life with you now!

I trust your promise that you will not leave us or forsake
us.

In your precious name I pray,

Amen.

Dear Jesus,

**I surrender my child to you. I am doing all I know how,
and it doesn't seem to be working.**

I open my hands and release my child into your care.

**Please forgive me for my worries and anxieties and help
me to leave all of my fears at your feet. I give it all to
you, Lord. Take it.**

**Now let me walk with my chin up and my heart calm,
knowing you hold everything in your hands.**

I praise you for being sovereign!

Amen.
